City Coordinating Council to Offer Recreation Forum

A public forum to discuss Sierra Madre's recreation program was proposed this week by the Coordinating Council.

Purpose of the forum will be to discover where the city is going with its present recreation program and what Sierra Madreans can expect in the future by way of organized recreation.

The Coordinating Council wants only to get all the facts before the public, according to Mrs. P. R. Woodworth, president. The council consists of representatives from every Sierra Madre organization and church.

Harry Eder, program chairman of the council, said date of the forum has been set for Tuesday night, Dec. 5. Speakers would include members of the Recreation Commission, City Council, and lay persons interested in the subject of recreation.

Some citizens have unofficially stated that the city has an "anti-recreation" policy and has done little to encourage organized sports and other recreational activities.

Several City Councilmen, on the other hand, have said they have nothing against recreation, but the citizens vetoed an expanded program when they rejected a swimming pool proposal last year.

"We want to get all these viewpoints before the people and also find out, if possible, where the citizens really stand," Mr. Eder said.

Around the Square

Surely the Pasadena School Board must know that there was and is much more at stake than just Superintendent Willard E. Goslin, an outstanding an educator as he is.

The main issue is this: The School Board has succumbed to the noisy pressure of one group while failing to heed the cries of alarm set forth by the majority of citizens. That the same thing may happen again and again is the danger to be feared.

When a minority organization can successfully dictate policy to a public body causing previous stands of the body to be reversed, that is where democratic government ends and totalitarianism begins.

A possible answer was indirectly suggested by one of the Board members herself Monday, Miss Harriet B. Sterling was quoted as saying: "If this thing isn't settled pretty soon, I'm going to hand in my resignation."

The refrain on Southlanders' lips this week might well be: "River, stay away from my door."

Residents on Toyon Road think the city street department "has it in" for them. After a wait of several weeks, their request for a repainting job on their street sign was granted. But the sign was lettered to read "Tryon."

"We don't mind the new name," quipped Lee Shippey. "In fact, we're going to live up to it—and keep tryin'."

Lost and Found Department, maybe? A contractor is anxious to contact a resident known to him only as "Frank Demarie, Sierra Madre." He wishes to return a set of house plans to him. If you can supply the rest of Mr. Demarie's address, contact Edna Hewitt of the Chamber of Commerce.

Now regimented can we get? A few days before the election, Recreation Commission Chairman Al Morgan paid \$5 to tidy up the Youth Hut so it could be used as a polling place. As in previous elections, he then sent a bill for the \$5 to the county.

Last week, the county politely—but firmly—told him that the payment could not be made until he signs, and has notarized, a loyalty oath.

Psychologist to Address Parents, Teachers

Dr. Katz Returns to City

Barney Katz, Ph. D., returns to Sierra Madre next Wednesday, Nov. 29, to discuss with local parents the subject, "What Is Delinquency?" The meeting will be held in the City School auditorium, beginning at 7:45 p. m.

Dr. Katz, clinical and consulting psychologist, first spoke to Sierra Madre parents and teachers several weeks ago.

Fifth grade teachers and mothers will be hostesses for the program being presented by

the Sierra Madre Parent-Teacher Association and the adult education department of the public schools.

"Those who heard the first lecture by Dr. Katz will remember the extremely entertaining way he presented his facts," according to Miss Stanley Coutant, P-TA publicity chairman.

Mrs. Coutant invited all parents and friends to attend the lecture.

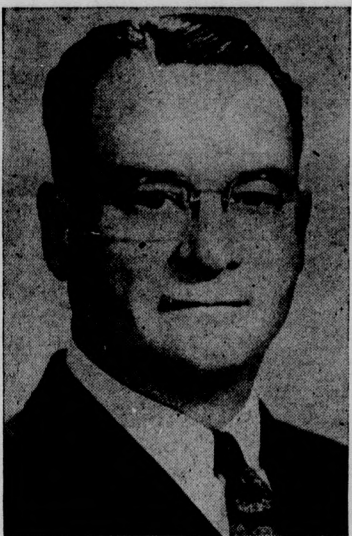

WORKMEN DIG and cut their way through rock in Big Santa Anita Canyon where Sierra Madre's water diversion structure will be built. Concrete floor of this structure will be poured next Thursday, according to Roy Dyer, superintendent of the project. Sierra Madre's recently-allocated water will be diverted into a 30-inch pipeline through this retainer and channeled down to the city's spreading grounds. Councilman Herman Barter did much of the planning and campaigning for the water conservation project which now is actually underway.

Postmaster Gives Yule Mailing Tips

With Christmas just a few weeks away, Postmaster Eddie D. Robertson Tuesday gave

EDDIE D. ROBERTSON . . . gives advice

some hints for yuletide mailing.

For letters and cards going to eastern sections of the nation, Mr. Robertson said the deadline for mailing should be Dec. 10 to assure arrival before Christmas. December 15 is enough time for local and West Coast destinations. All air mail letters and cards should be on their way no later than Dec. 20, the postmaster said.

Parcel post packages for the east should be in the mail no later than Dec. 1, and air mail parcel post articles should be sent before Dec. 10. For parcel post deliveries on the West Coast, packages should be mailed before Dec. 10.

Mr. Robertson requested Sierra Madreans to separate local mail from mail going to other parts of the country and, whenever possible, to tie all mail into bundles according to city or state.

A final word of advice from the local postmaster was that all cards and letters should have return addresses on the envelopes. Sealed Christmas cards (one ounce) take a three cent stamp, and unsealed cards can go for two cents, it was pointed out.

Council to Rename Civil Defense Body

Sierra Madre's Disaster Council will be re-designated the "Civil Defense Council" when formal action is taken by the city Council, presumably at its next meeting.

At a meeting of the Disaster Council last week, the lack of volunteers for the auxiliary police force was hit as the "most serious deficiency" in Sierra Madre's civil defense set up.

Only five men have volunteered so far, although more than a dozen are needed, Chief of Police Gordon G. McMillan reported. Any young or middle-aged man in good physical condition, and not subject to draft in a national emergency, is eligible to join and is asked to contact Chief McMillan.

Auxiliary police candidates will be given a training period of approximately 50 hours, including tours with regular police officers to acquaint them with operating a patrol car, Mr. McMillan said.

Fire Chief James Heasley reported that Fire Department drills are being stepped up to train men for fighting major conflagrations. An auxiliary fire station on Alta Vista Drive has been completed and some 200 additional feet of hose procured, Mr. Heasley said.

Dr. M. H. A. Peterson told other members of the council that he is taking steps to make Sierra Madre independent, medically, should we be cut off in an emergency. This would be in accordance with the overall plan, it was brought out.

Pupils Fill 108 Gift Boxes For Overseas

The annual Junior Red Cross Membership Drive and Gift Box Campaign ended in Sierra Madre last Friday with a total of 108 boxes collected for shipment overseas.

Mrs. Paul Tate, local chairman, said 18 gift boxes were filled by children from St. Rita's School; 12 boxes from Ascension Parish Day School; and 78 from City School.

The boxes are packed with toys, small personal articles, school and health supplies. They have been sent from Sierra Madre to the Red Cross headquarters in San Francisco for distribution to children overseas.

Mrs. Tate said \$47.34 was collected as membership donations in the JRC. Serving with her during the campaign were Mrs. Thomas Wynne, Mrs. Mrs. Robert Lyons, Mrs. John Reece, and Mrs. Alan Childs.

New Street Light Project Underway

Those gaping holes along the sidewalks of Sierra Madre's business district are being installed this week.

Charles Markwith, representative of the State Construction Company which is sub-contracting the pole installation for Southern California Edison Company, said the new standards should be in place by next Wednesday, Nov. 29.

The city recently approved formation of a special downtown street lighting district to include additional and brighter street lights.

Chest Survey X-Rays 1496

A total 1496 Sierra Madreans were x-rayed last week when the Los Angeles County Chest X-Ray Survey was in town for five days.

A mobile x-ray unit was stationed in front of the Bank of Sierra Madre from Tuesday through Saturday, and an additional machine was located in the Canyon on Saturday.

"Considering the poor weather during several of the days, we did pretty well," said R. C. Lewis, survey chairman for Sierra Madre and five other San Gabriel Valley cities.

He expressed disappointment, however, that only 32 persons took advantage of the free chest x-ray service offered in the Canyon area.

Results of the x-rays will be mailed residents within the next two weeks.

City May Buy Right-of-Way For Pipeline

Details of the proposed Elkins Subdivision and a right-of-way for the city's water project were discussed at an adjourned meeting of the City Council Saturday morning.

The Councilmen informally decided that \$1250 would be "a reasonable amount" to pay for a 1500-foot-long, 10-foot-wide strip of land running through Elkins' land, north of Grandview and east of Doubledrive. The subdivided figure would include the cost of his installing water main laterals to all of the 35 lots proposed in the development. Laterals would be installed across the streets in advance of paving.

Street paving mechanics will be ironed out by Mr. Elkins and Director of Public Works Harry H. Shatto. A laboratory survey may be made to determine what type of paving would be best suited to the subdivision, if Mr. Elkins chooses. At any rate, the Council ruled that it must comply with the city's street regulations.

VFW VOLUNTEERS WORK ON BALL FIELD BACKSTOP

A working party of VFW volunteers and Raider baseball players plan to put the finishing touches on the ball park backstop before Sunday afternoon's game.

Larry Shepherd, manager of the VFW Raiders, said if the wire netting can be stretched during the afternoon and evening.

The City Council last week authorized the expenditure of \$70 for pipe poles and wire for the ball field backstop. Bryant Burton, who lives adjacent to the park, had charged that hard-hit baseballs occasionally crashed into his backyard and constituted a hazard to his family.

Throughout the week, VFW workers have toiled on the backstop. On Monday night, the poles were painted. The poles were installed and anchored in 4-foot-deep holes Tuesday.

"Deadmen" bases were to be planted on Wednesday and Thursday evenings, and the wires are to be installed Friday and Saturday.

Mr. Shepherd admitted that this is a "pretty big order" when the help is voluntary, and the equipment consists of a wheelbarrow, picks and shovels. He said he hopes to borrow two ladders large enough to string the wires and netting.

Finance Chairman David Allen reported that \$4398.27 had been turned in by Tuesday noon.

Dr. Valois asked team captains to turn in their money immediately so that a last-minute check can be made.

SHATTO LISTS DETAILS OF PROPOSED BUSINESS AREA

Cost estimates for the proposed business district extension below Sierra Madre boulevard were listed this week by City Engineer Harry H. Shatto.

Several weeks ago, Mr. Shatto suggested that an addition to center, running parallel to and south of Sierra Madre boulevard, could solve two of the most pressing problems in this city—the threat of a new business district in the Upper Hastings Ranch and the shortage of parking space downtown here.

Mr. Shatto estimates that putting in curbs, sidewalks, trees, grading and paving the area would cost \$28,800. Assuming that a 20 per cent increase in the cost of labor and materials would be in effect by the time actual work on such a project would begin, he revised his figure to \$34,560.

He broke down his estimates for the proposed shopping arcade and parking area as follows: \$5500 for curbs—5000 lineal feet of curbing at \$1.10 a lineal foot; \$1370 for sidewalks—39,000 square feet of walk at 35 cents a square foot; \$9230 for paving 2050 tons of area; \$11,700 for grading 14360 square yards; and \$1000 for 50 trees at \$20 each.

Mr. Shatto's estimates, of course, do not include the cost of erecting individual business structures and of buying the land. He says at least 20—and probably more—new stores could be built in the expanded area.

The project would increase by approximately 40 per cent Sierra Madre's present business center.

Concerning the new business establishments, Mr. Shatto

Camp Fire Girls to Sell Yule Wreaths

Sierra Madre Camp Fire Girls tomorrow will begin peddling their Christmas wreaths and sprays.

The local girls will be ringing doorbells and taking orders from Nov. 24 through Dec. 6. This Christmas sale is replacing the usual campaign of the Camp Fire Girls.

Money earned will be used to finish the improvements at Camp Chiquita, Camp Fire Girl camp at the top of Fair Oaks avenue in Altadena.

Two types of sprays and wreaths are offered for sale, and samples are on display in Harry Lange's Real Estate Office window.

According to Mrs. E. W. Carver, chairman of the drive, the wreaths and sprays are made from cuttings of coultier and sugar pine trees. The forestry department supervises and approves this type of trimming since it stimulates growth and

'Tex' Gotcher Gets Release From Army

M. E. ("Tex") Gotcher, 197 N. Auburn, has been discharged from the U. S. Army after 2½ months' service.

Tex said the Army decided his wife and three children added up to just too many dependents and released him from service Saturday, Nov. 18.

As a member of the Enlisted Reserve Corps, Mr. Gotcher had been recalled to active duty on Sept. 8. He served as an MP at Camp Cooke during his last stay in the Army.

The Sierra Madrean has applied for his former position as a police officer from which the City Council granted him "an indefinite leave of absence" when he entered service.

In all, Mr. Gotcher has served in the Army—both as a reservist and on active duty—for more than 11 years.

CITY TO BOOST RUBBISH RATES, EXPAND SERVICE

Rubbish removal rates for Sierra Madre will go up 3 cents per water meter, the City Council decided Saturday morning.

Councilmen approved a supplemental agreement with Mrs. Martha Matolan, contractor, whereby rates will increase from 19 to 22 cents a meter.

But the services offered Sierra Madreans will be broadened to include metal rubbish not before considered a part of the contract.

Director of Public Works Harry H. Shatto said the added service will include pick-ups of nursery cans, metals arising from normal household use, old parts from privately-owned automobiles, worn out screens and

fencing and other similar items.

No single object heavier than 100 pounds, nor longer than 8 feet, will be included in the contract, the Council ruled.

The rate increase, which will mean approximately \$70 more a month for Mrs. Matolan, was requested because of "higher costs of living and services."

Consorsos at Kirk Home

Consorsos of Congregational Church will tell why they are thankful when the Thanksgiving theme is carried out during their meeting 8 p. m. Tuesday, at the home of Mrs. Catherine Kirk, 646 W. Sierra Madre Blvd.

Camp Fire Girls Give Food For Thanksgiving Baskets

A huge horn of plenty awaited the gifts of food donated by 116 Camp Fire Girls and Bluebirds as they took their places for the Council Fire held Friday, Nov. 17, at Pritchard Hall of the Congregational Church.

Food donated was turned over to the Sierra Madre Chapter, American Red Cross, for distribution in Thanksgiving baskets.

Mrs. C. L. Young and Mrs. C. Lauren Maltby directed the Council Fire ceremonial, which included:

Dance "Looby Loo" by the Singing Bluebirds under the direction of Mrs. Jim Brigham and Mrs. Margaret Galloway.

The Bluebird Wish by the Happy Bluebirds under the leadership of Mrs. Iola Keyser and Miss Joyce Lange.

"I've Got Sixpence" by the Humming Bluebirds, with Mrs. Gordon Blanke, leader.

The Camp Fire Law by the Tama Pit Kin Camp Fire Girls, with Mrs. Ed Wodrich and Mrs. Stewart Matter, leaders.

Thanksgiving Play by the Ta Wan Ka Camp Fire Girls, Mrs. James Gentry, leader.

Candle lighting ceremony by the O Ki Zu Camp Fire girls, Mrs. John Rudbach, leader.

Birthdays were celebrated by the O Ki Zu Camp Fire Girls: Beverly Johnson, Judi Perry, Shirley Cook, Dian Weston, Margaret Carter, Susan Edwards, Linda Podliska, Lorraine Blumenstock, Nancy Montgomery, and Bunny Mason.

Mrs. Young and Mrs. Maltby were given special recognition for their many years of service with Sierra Madre Camp Fire Girls.

Street Surveyors Given More Time

Additional money to complete the engineering survey of Sierra Madre boulevard was voted at an adjourned meeting of the City Council Saturday morning.

Carmen Pack Engineering Firm's request for 32 more work hours to finish the survey at \$11 an hour, was granted. The total job is not to exceed \$900. The engineers already have spent six days on the survey.

The Councilmen also voted to spend a maximum of \$150 for bench marks (elevation markers) on Sierra Madre boulevard from Michillinda to Baldwin.

WCTU to Meet Next Thursday

Next meeting of Harter WCTU is scheduled for Thursday, Nov. 30, at the home of Mrs. Eva Freeman, 137 E. Montecito. The session will begin at 2 p. m.

At the last WCTU meeting, Mrs. Lucy Marquardt was appointed hostess by President Mrs. J. Andrew Hall.

Crowds Attend Fashion Show

The Woman's Clubhouse was decorated in a red and green Christmas theme Friday when 250 Sierra Madreans attended the Fashion Show of the Nursery School Auxiliary.

According to Elena C. Brown, auxiliary publicity chairman, all proceeds from the event will go into the Nursery School Association fund.

Sierra Madre models taking part in the fashion parade were Mrs. Dixie Tiller, Mrs. E. P. Maurin, Candy Bush, Carol and Gayle Baumen, and Freddie Tempes.

Pouring tea for the event were Mesdames E. W. Beutler, Ray Obizawa, Francis Dane, Harold Bartel, Dixie Tiller, William Lanier, George Barnett, Philip Saureman, Nathan Jacobs, J. P. O'Neill, and Myrtle Randolph.

Camp Fire Council Elects Mrs. C. Young

Mrs. C. L. Young was elected president of the Sierra Madre District Council, San Gabriel Valley Area Camp Fire Girls, at the annual meeting held Monday, Nov. 20, at the Youth Hut.

Elected vice-president was Mrs. O. H. Ogren, and Mrs. John Montgomery was re-elected secretary.

New board members include Harry Lange, Louis Sauter, Mrs. James Gentry, Mrs. Gordon Blanke, and Mrs. Ed Cook. Other members of the board are Mrs. Tom Willis, Mrs. L. M. Snell, Mrs. Harold Higgins, Mrs. Paul Carter, Mrs. C. Lauren Maltby, Mrs. E. W. Carver, and Miss Elizabeth Steinberger.

At the Camp Fire Leaders' meeting last week, Mrs. Gordon Blanke was elected president of the leaders' association, with Mrs. Jim Brigham as secretary and Mrs. John Rudbach as treasurer.

CITY REMOVES 'BOUNCE RAMPS'

You can now round the corners at Manzanita and Lima, Ramona and Michillinda without coming to a full stop. Director of Public Works Harry H. Shatto reported last week.

City workmen recently removed the "ramps" at these intersections which formerly caused such a jolt motorists were forced to stop or risk the chance of throwing their wheels (not to mention necks) out of line.

"It's now safe to proceed around these corners at speeds up to 15 miles an hour," Mr. Shatto said.

PERRY'S FLY TO LAS VEGAS

Mr. and Mrs. Hall Perry, 118 E. Laurel, flew to Las Vegas, Nevada, last week for a two-day visit. It was their first air trip for both the Perrys.

Sierra Madre Police Officer Paul Bird is the son-in-law of Mr. and Mrs. Perry.

CARL HANSEN ANNOUNCES TV WEEKLY PROGRAM

Alan Young, highly-rated television comedian, is to be sponsored by the Ford Dealers' Advertising Association of Southern California. It was announced last week by Carl Hansen, local Ford dealer.

The program will now be seen Tuesday nights at 7 p. m. via KTTV, Channel 11. First program for the Ford Dealers was viewed last Tuesday night, Nov. 21.

Nida Urges 'Closer Look' At Holiday

A closer look at the real purpose of Thanksgiving was urged by the Rev. Clarence Nida Tuesday noon, as he addressed members and guests of the Sierra Madre Kiwanis Club.

The Rev. Nida, pastor of Bethany Church, said most people think only of food on Thanksgiving and lose sight of the true significance of the holiday.

"If we were in Korea on Thursday, we would see that the natives and our servicemen are thanking God just to be alive," he said.

Citing the many things for which Americans should be thankful, the speaker said he is personally thankful for the American Way of Life and for the freedom found in this country.

"I am particularly grateful for the statement of equality as set forth in the U. S. Constitution," Mr. Nida pointed out. "That and other sections of the Constitution guarantee me the privilege to vote, to criticize, and to get up and say what I want to."

He said Americans should "stop in at a house of God Thursday and thank God for what He has done for us and that we in America have freedom."

DRIVE YOURSELF TO DRINK, BUT DON'T DRIVE BACK

You may drive yourself to drink, but don't drive back! You'll be heading for the jail, a hospital, or the county morgue.

According to the Los Angeles Police Department, nation-wide accident studies have shown that one out of four adult pedestrians and one out of five drivers involved in fatal accidents had been drinking before the crash occurred.

The department says it has been found that drinking drivers are three or four times more likely to have an accident than those who have not consumed alcohol.

Fence Ordered For Water Area

For the safety of Sierra Madre youngsters, the City Council Saturday voted to install a fence along the west side of the city water grounds.

During rain storms as much as 3 feet of water accumulates in the basin, and small children might fall in, it was pointed out.

Councilman Herman Barter said the fence should extend from Grandview south to the heavy brush area, a distance of about 150 feet. The fence which formerly was at the city park will be transferred to the spreading grounds for the purpose.

Cafeteria Serves Turkey Dinner

Cafeteria fare at City School followed the Thanksgiving line yesterday, Nov. 22, as 400 pupils and parents enjoyed a special turkey dinner.

City School will remain closed tomorrow, Friday, to give local youngsters a four-day holiday. Superintendent Charles Skutt said.

Retired Teachers To Meet Monday

Pasadena-Foothill Division of the California Retired Teachers Association will meet Monday, Nov. 27, at the Pasadena Public Library, 285 E. Walnut.

The program, beginning at 1 p. m., will include folk dancing by the Jarabe Dancers of Pasadena Settlement Association, and a talk by Miss Elizabeth Sands, former assistant superintendent of Los Angeles City Schools.

Miss Sands, who recently returned from a year's stay in Japan on federal assignment, will speak on the subject, "Present Day Japanese Culture and Education."

'Tourists' Pay Stop Fines

Sierra Madre stop signs seemed to be the bugaboo for out-of-town motorists last week with five of them paying fines for violations.

Five-dollar stop sign fines were assessed against Robert Dwight Deanan of Pasadena; Dawson N. Tarr of Glendale; Thomas Francis Driscoll of Pasadena; Clarence Freeman of Monrovia; and Arthur Artinian of Pasadena.

Freeman and Artinian also paid \$10 and \$15 fines, respectively, for speeding.

City Judge John C. Mead, levied a \$5 fine against R. Sadowski, 481 Foothill avenue, for parking in front of a fire hydrant. In addition, 15 motorists forfeited bails by not appearing in court Saturday morning.

PASADENANS CHOOSE HOME

Miss Mable E. Schadt and Mrs. Emma H. Wright are moving this week into their new property at 205-9 North Baldwin Ave. The ladies are from Pasadena and bought the property recently completed, from Mr. and Mrs. Janke.

Simmons Gets Davis Senior Class Office

William Simmons of Sierra Madre has been elected vice-president of the senior class and secretary of Alpha Gamma Rho on the Davis campus of the university of California College of Agriculture, it was announced this week.

Simmons, a senior student in truck crops, is the son of G. K. Simmons, 251 W. Montecito.

Alpha Gamma Rho is a national social fraternity and is one of approximately 50 organizations in which students enrolled at Davis can find others with similar interests, either professional or social.

Christian Scientists Give Thanks Today

The annual Thanksgiving service is to be conducted today at the Sierra Madre First Church of Christ, Scientist.

The Golden Text is from the Psalms: "Oh that men would praise the Lord for His goodness, and for His wonderful works to the children of men! And let them sacrifice the sacrifices of Thanksgiving, and declare his works with rejoicing."

Testimonies pertinent to the Thanksgiving season will be given by Christian Scientists in the congregation.

Flood Control Official Heard At Lions Club

County Flood Control District Official _____ last Thursday evening at the Sierra Madre Lions Club.

Lions at that water problems in the Southland are being heightened by new subdivisions. Addressing the weekly meeting of the local Lions Club, Mr. Collins said the increase in the number of houses means a loss of water. Instead of soaking into the ground where it can be salvaged, the water runs over the paved areas and down to the sea—lost forever, he said.

Mr. Collins discussed the projects and functions of the County Flood Control District and analyzed Southern California's rainfall rate.

Being Thanksgiving Day, tonight's meeting of the Lions will be "dark" with no program planned.

Local Army Sergeant Boosts College Course in Luzon

A Sierra Madre army man at Central Luzon, P. I., has been responsible for many men of his squadron taking University of California Extension courses in sociology.

M-Sgt. Richard E. Warren, 61 and education non-commissioned officer of the 14th Communications Squadron where he is assigned as chief clerk.

The sergeant's interest in the UC sociology course fired the enthusiasm of his fellow squadron members, the Clark Air Force Base public information officer said this week. When Warren found out that some of the men were ineligible for the college courses because of a few lacking high school credits, he and Lt. R. E. Benson got busy and encouraged the men to take courses under USAFI to receive necessary diplomas.

The UC extension course is the first college class to be offered on the Philippine base under the recently inaugurated college education program sponsored by the Far East Command.

In military service since 1938, Sergeant Warren was stationed in Australia and New Guinea during World War II. He arrived in Central Luzon in Oct., 1949.

Sergeant and Mrs. Warren and their 13-year-old son, Delbe, now live in the dependents' housing area on Clark Air Force Base.

Pastels by Scholtz Now at Institute

Thirty pastels by Werner Scholtz will be the featured exhibit from now until Dec. 24 at Pasadena Art Institute, 46 N. Los Robles avenue.

Mr. Scholtz is billed as a "painter now re-emerging from a free Germany." The Art Institute is open daily from 12 to 5 except on Mondays. On Friday, the hours are from 12 to 9; and on Sunday from 2 to 4:30.

Stanford U. Club Offers Scholarship

Stanford Valley Club again is offering a gift scholarship at Stanford University for the academic year 1951-52 to high school and junior college students within this area. The scholarship will amount to \$330.

Students interested should write at once to the Office of Admission at Stanford University for application blanks and scholarship forms. The valley club president said.

1951 FORD passenger cars offer refinements in appearance as well as in mechanical operation, featured by Fordomatic Drive Automatic transmission, according to Carl Hansen, Sierra Madre dealer. Above is pictured the 1951 Ford Custom Tudor Sedan. The new models will be on display tomorrow, Nov. 24, at Carl Hansen's Agency, 120 W. Sierra Madre boulevard.

CAP Begins Recruit Drive

With President Truman's recent call for 6000 recruits in the CAP, Civil Air Patrol Base at Monrovia Field is conducting a drive to sign up recruits.

Anyone wishing to join the patrol may do so by attending ground school every Monday evening, 7:30 p. m., at the Monrovia Airport. CAP trainees must have reached their 15th birthdays.

According to Public Information Officer Robert L. Wildey, the CAP training program offers courses in navigation, civil air regulations, aeronautics, radio procedure and technology, code, aviation mechanics, preflight training, and actual flying instruction.

Huntington Library Reopens Exhibit

Following its regular October closing the Henry Huntington Library in San Marino opened its exhibitions and grounds to the public this month.

Included among the special new exhibits is one on the works of Robert Louis Stevenson including many of his first edition notebooks kept by the famous author, personal letters, and original text of "Kidnaped."

City Pale-Faces To View Unusual Blackfoot Rites

Sierra Madre pale faces will have the rare opportunity to witness the colorful induction ceremony of new Blackfoot Tribe members of the Father and Son "Y" Indian Guides, 7 p. m., Nov. 24, at the Youth Hut.

Big Chief Harold Clardy urges guests to arrive early since no one will be admitted while the induction is in progress.

FIRE FLAMES

After a slight decrease in fire loss for the year 1949, United States fire losses are again on the increase.

Losses during June of 1950 were the greatest for that month during the 22 years detailed records have been available. The first six months of

1950 have brought a total loss of \$367,117,000.

During every month except February, the estimated fire loss was higher than for the same months of 1949.

This of course does not apply to Sierra Madre. We appear to be doing better each year, if the growth is considered. Our loss so far this year is negligible in comparison. We do however have a fire occasionally and would like to prevent all of them.

If we get to December 31st without another fire, we can certainly be proud of the low loss. It is not all up to the members of the fire department. If you permit accumulations of rubbish and trash to gather about your place, you are not fire conscious.

If you are a factory owner and do not have a person or persons assigned to keep the place clean, you are not aware of the danger. If factory owners insist on being careless about the matter, it may be necessary to call upon an insurance investigator to investigate. This will mean that a clean-up will be made or there will be a difference in insurance cost.

There are so many easy ways to prevent fire that go neglected. In a shop or factory, what would it cost to extend water lines throughout the plant and have hose connected to them at regular intervals? A small fire can be conquered easily. When it is permitted to grow big—well, there's no use talking.

Your fire fighters remain loyal to their duties. Twice each month, the regular drills are held. This requires some hard work and somewhat monotonous work. None complain because it is made fun by the good fellowship enjoyed. And the thoughts of being of an important function of the city helps a little.

Repetition cannot be avoided in this game. We just MUST keep saying that we have to work to keep the FIRES OUT.

Shippey, Yavno Collaborate For 'The Los Angeles Book'

REVIEWED BY STANLEY CANN

With the publication of Lee Shippey's latest book, "The Los Angeles Book," stock in the Los Angeles Chamber of Commerce is expected to shoot up to new heights.

For the Sierra Madre author, columnist, and newspaperman has done it again.

He has captured and faithfully recorded every aspect of the city of angels. He has traced the evolution of this "sprawling hodgepodge of beauty and ugliness" from its beginnings to what it is today. Mr. Shippey admits himself that you cannot be sure what LA will be like tomorrow.

Mr. Shippey's discerning pen is aided in this volume by some 98 dramatic illustrations by Max Yavno, top-flight photographer who collaborated with Herb Caen in the best-selling "San Francisco Book."

Mr. Shippey even takes his readers back to 50,000 BC to give them a glimpse of what LA was like then. The real "beginnings" of this city, however, are to be found in the few real Spanish traces left in the Olvera street area, he writes.

In a chapter entitled "Truth About Hollywood," Mr. Shippey snips off much of the tinsel and glamour connected with the film capital—but then adds some more of his own.

The local writer acknowledges the presence of that "stinging mist" called smog, but humorously captions a photograph showing the eye-menace at its worst with these words: "A climatic situation found in only a few places in the world."

Publisher of the "Los Angeles Book" is the Houghton Mifflin Company.

DOES YOUR HEATER LEAK?

Check your heaters, folks. The advice was given this week by Dr. Roy O. Gilbert, county health officer, in advising householders to make sure their heating appliances are checked for safe maximum performance.

Not in operation during summer months, heaters frequently get out of adjustment and can give off deadly carbon monoxide gas.

SCOUTS, EXPLORERS TO ATTEND CARAVAN

Boy Scouts and Explorers of Sierra Madre will leave Friday morning, Nov. 24, to take part in the 17th Annual Scouting Caravan, to be held this weekend at Joshua Tree National Park.

R. W. Lees, local Scout committee member, said approximately 50 Sierra Madre boys plan to attend the three-day camping trip.

Coordinating Councils to Meet Nov. 30

Several Sierra Madreans are planning to attend the Annual Community Coordinating Councils Conference, scheduled for Thursday, Nov. 30, at the Los Angeles First Baptist Church, 760 S. Westmoreland.

Ninety Community Coordinating Councils in the County will have delegates at the conference which will feature 10 separate workshops and several general sessions.

Sierra Madre will be represented by Coordinating Council members, several clergymen, officials from the three local schools, and a delegate from the Sierra Madre Police Department.

Workshops are planned on the following topics: local council operation, human relations, recreation, safety, health and mental hygiene, research-adjustment, youth participation in community affairs, legislation, communications, and civil defense.

The evening dinner session will be highlighted by an address by Dr. Charlotte Elmore, coordinator of child welfare for the Santa Barbara City Schools. Local delegates will report on the conference at the next meeting of the Council, Tuesday, Dec. 5.

Students Elect Patricia Keith At City School

Patricia Keith, daughter of Mr. and Mrs. Boyd Keith, 830 Skyland Drive, has been elected president of the Sierra Madre City School student body.

Her election came last week after a hotly-contested campaign. Patricia defeated her opponent, Renard Turullo, by just one vote.

Other student body officers elected were Danny Armstrong, vice-president; Pamela Olcott, secretary; and Ronald Penn, treasurer.

The secret-ballot election was conducted in the fourth, fifth, and sixth grade home-rooms following an assembly in the school auditorium during which all candidates outlined their qualifications in campaign speeches.

Also during the assembly, safety badges were presented members of the Student Council, and certificates were given students who took part in the Summer Reading Program held at the Public Library during the summer months. Awards were made by Betty Newton, student body adviser.

AROUND THE SQUARE

—From page one

The Chamber of Commerce is trying to extend its Christmas decoration program this year. In years past, the greenery and glitter has been centered on the Square.

Chamber members are now planning ever-green wreaths for the PE poles along Sierra Madre boulevard and possibly Baldwin avenue. The only stumbling block to the decoration of all streets is that same old, well-scuffed one—money.

If funds will permit, said Chamber President Morgan, wreaths will be up and down both streets.

Woman Pays Drunk Fine

Mrs. Hattabelle E. Shogren did a repeat performance in court yesterday morning and was fined \$50 for being drunk on private premises.

Police arrested Mrs. Shogren Tuesday night at the home of her estranged husband, Edward Shogren, 68 Suffolk, who complained that she was intoxicated and refused to leave. She had two bottles of whiskey on her person when arrested, police said.

In February, Mrs. Shogren had been arrested on a similar charge and fined \$10 forthwith with a \$40 suspended sentence on condition that she "abstain from drink, not molest her husband or his father, and stay away from 68 Suffolk."

City Judge John C. Mead Wednesday revoked the suspended sentence, collected \$40, and decreed an identical sentence for this week's offense.

Bolan-Montgomery Ceremony Scheduled for Saturday Evening

In a candlelit double-ring ceremony at the Congregational Church, Sandra Sue Bolan and John M. Montgomery were married by Rev. Carl Smith at 7 o'clock Saturday evening, Nov. 18.

The church was decorated with large white chrysanthemums and greens. The white satin bridal gown featured a marquisette yoke, bertha collar and fitted bodice. The bouffant hoop skirt had an inset of accordion pleated satin and her fingertip veil was held by a satin coronet. She carried white roses centered with a white orchid corsage.

Shirley Montgomery, sister of the groom, was maid of honor wearing orchid taffeta and carrying a bouquet of pink carnations and sweet peas.

Best man was Jack Lloyd and ushers were James Harkens and John Riley.

The bride's mother, Mrs. Annarose Bolan of 245 W. Laurel, was dressed in dusty rose lace with an orchid corsage. The groom is the son of Mr. and Mrs. William Nicholson of 12 Vista Circle Drive, Mrs. Nicholson wore a peacock blue crepe gown, gold sequin Juliette cap and a white carnation corsage.

Both bride and groom are Pasadena City College graduates and the bride was Sierra

Madre's 1948 Wistaria Queen. Showers for the bride were given recently by Mrs. Charlotte Hauck of 281 San Gabriel Court, and by Mrs. Gladys Carter.

The eve of the wedding, the bridal party was entertained at a pre-rehearsal dinner party in the Bolan home.

MRS. JOHN MONTGOMERY

DBE Meeting Today

The John Ruskin Chapter of the Daughters of the British Empire are meeting this afternoon, Nov. 24, at the home of Mrs. John Fergus, Regent.

They will formulate plans for their annual Christmas party which will be held this year at the British Old Peoples' Home.

Tuesday evening Mrs. Fergus will attend a council meeting at the British Council offices in Los Angeles.

Shower Given For Bride of Leon Jennings

A miscellaneous bridal shower will be given tomorrow evening honoring Mrs. Leon Jennings, at the home of Kay Fitzgerald of 414 N. Auburn.

Mr. and Mrs. Jennings eloped to Las Vegas Nov. 5 and were married at the Wee Kirk Chapel. Accompanying them were Bob Chumby and Glen Monlgon of this city.

The bride, daughter of Mrs. Emma Ola Fox of 14 W. Alegria, is a graduate of Bell Gardens High School. Her husband is the son of Mr. and Mrs. Lewis Jennings of Pasadena.

The couple are living in Pasadena until they are able to find a home in Sierra Madre.

STORK SHOWER FOR MRS. BOB MARTINET

Mrs. Robert T. Martinet Jr. was honored at a baby shower recently, given by Mrs. Donald Jacques of Monterey Park.

Sierra Madrans at the family affair were Mrs. Martinet's mother, Mrs. Stanley Brown, and her mother-in-law, Mrs. Aline Martinet.

Late Afternoon Wedding for Jean Lewis and Ralph Hunter

Before a fireplace banked with magnolia leaves, pale yellow chrysanthemums and yellow candles, Jean Valentine Lewis, daughter of Mr. and Mrs. R. C. Lewis of 350 Toyon Road, became the bride of Ralph Wood Hunter of Hollywood, at 4 o'clock Saturday afternoon, Nov. 18.

The informal ceremony, held at the Lewis home and witnessed by half a hundred family members and intimate friends, was performed by Rev. Carl Smith of the Congregational Church.

The bride chose a gown of white net with a full skirt and over the bodice top she wore a short sleeved jacket of white taffeta accented with silver threads. Her flowers were white gardenias and bouvardia with a gardenia headpiece.

Matron of honor, Mrs. Llewellyn Bixby Jr. of Long Beach,

wore a silver-striped white taffeta gown and carried pale yellow roses. Her daughters, Jean Bixby and Barbara Bixby, maids of honor, wore white organdy with an overall pattern of green sprigs which matched the green taffeta bodice ruffle. They carried French bouquets of tiny yellow rosebuds and maidenhair fern.

Edward Halderman of Hollywood was best man.

Mrs. Lewis, mother of the bride, wore an amethyst crepe afternoon dress and a corsage of orchids.

For the reception, the dining room was decorated with white gardenias, bouvardia and white candles.

The couple are now on a two-week honeymoon in Mexico where they plan to stop at Acapulco and Mexico City. They will make their home in Hollywood.

Storkland

Mr. and Mrs. Stephen Goya are parents of a daughter born Nov. 17 at the Monrovia Hospital. The Goyas own the wholesale carnation nursery located near the Monastery.

Mr. and Mrs. Thomas George of 159 Wilson, became parents of a daughter, Nov. 15, at St. Luke Hospital.

Ventilated-oven roasting

...GAS HAS GOT IT!

A TURKEY roasted uncovered in the oven of an automatic gas range is turkey at its best. The skin is crisp and golden, and sealed beneath it are all the tempting juices and flavor bred into the bird. The meat is tender... moist... delicious... because it's really roasted, not "stewed." Continuous circulation distributes the heat uniformly to every part of the oven... creates an air-conditioned atmosphere where odors of foods from the previous meal never linger, where flavors of two foods cooked at the same time don't mingle. Gas is so controllable you can roast at low temperature. This minimizes shrinkage, prevents dryness.

Gas is truly superior for roasting and for every other cooking method. You fully enjoy all of its exclusive advantages in a new automatic gas range. See the displays at dealers' or your Gas Company. You'll find that these wonderful new ranges cost less to buy and less to operate, too!

Among the many makes of gas ranges on display is this beautiful new

GAFFERS & SATTLER

... a CP model. Others you'll see include Caloric, Grand, Hardwick, Magic Chef, Maytag, Occidental, O'Keefe & Merritt, Roper, Tappan, Wedgewood, Western-Holly.

Look for this seal. It's your guide to the very finest in modern cooking appliances.

SPORTS ROUNDUP

by
RALPH (Val)
VALENCIA

Old Man Pluvius won most sports matches last weekend. Baseball called off, (wet grounds) golf postponed, (wet greens) or let's just say that outdoor sports for the weekend were all wet.

SADDLE NOTES

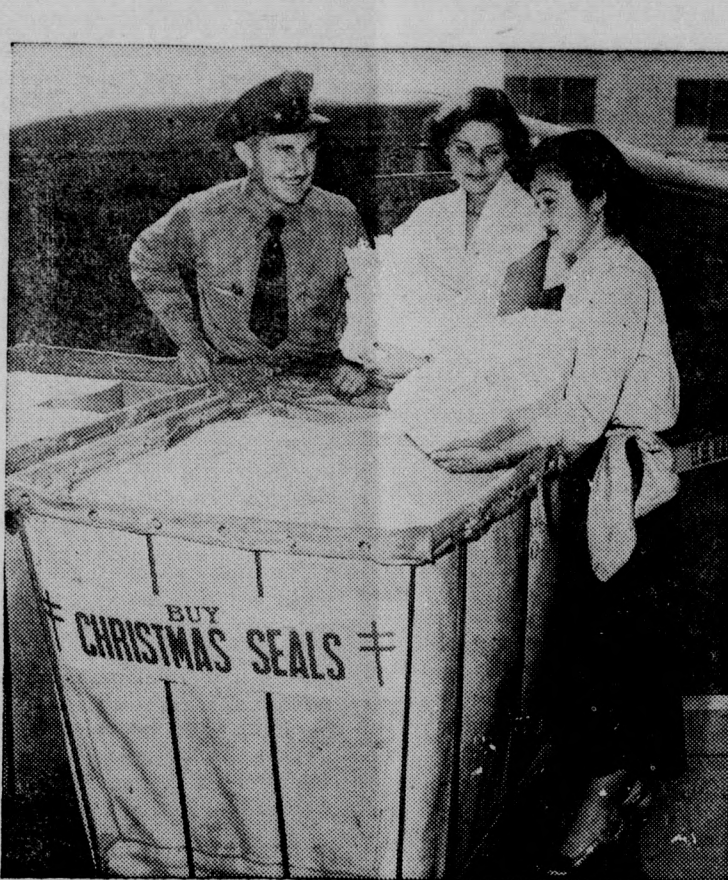

Jr. Horse Show postponed.
Due to rain, the Jr. Horse Show scheduled for 1 P. M. last Saturday had to be postponed until Friday, Nov. 24th at 1 P. M., in the enclosed pasture of the Bassett and Washburn Nursery at 326 E. Sierra Madre Blvd. Ellen Bauerle and Alice McGlaulin who are co-sponsors, hope the show will draw many young riders who are interested in joining a social horse club. After the show prospective club members will be notified by card of all activities such as night rides shows, parades, etc. All junior equestrians are invited to attend Friday's show and contact Ellen Bauerle there, or call Cu. 5-4463 or Alice McGlaulin at Cu. 5-1547.

ON THE LANES

Sierra Madre Merchants lose 2 of 3 again. Seems to be something wrong. After due consideration the writer might suggest to the Sponsors of the above team to act in the following manner: Harry Lange to insure the team; Don Jackson to put new shirts on them; Roberts Market to feed the boys their last meal; Scalzo's Pet Shop to furnish them with a dog house; then the Bank of Sierra Madre can try to mortgage the whole outfit for what they can get.

LINE AND SINKER

Charles L. Washburn of Bas-

Preparing for the 1950 Christmas Seal Sale, which opened November 20, Postmaster Larry Guindon picks up a truckload of Christmas Seal letters from headquarters of the Combined Christmas Seal Fund of the Los Angeles County Tuberculosis and Health Association. Lending a hand are Gwen Robbins, center, and Anna Shishido, Christmas Seal workers who have helped ready the more than 700,000 letters which will be sent Los Angeles residents in the campaign to raise funds for the fight against tuberculosis.

sett and Washburn Nursery took his fly rod and a pocket full of flies and headed for the Colorado River last weekend. Fishing below the dam, he was able to land a few nice ones, but the weather being bad and very windy, made casting almost impossible. Knowing Mr. Washburn's ability as a fly caster, I am at liberty to say, if there are any fish around he will get them.

BULL'S EYE NOTES

Firing schedule changed.
The Santa Anita Rifle Club has changed their small bore D. M. C. Course firing, from the 5th Friday of the month to every 2nd and 4th Friday until the first of the year. This change was made in order that the boys might get in the necessary scores to compete for honors in the finals. Medals are awarded as follows: 1st, Expert; 2nd, Sharpshooter; 3rd, Marksman. Good luck men, aim and fire.

QUICKIE

In answer to last week's wanted in the Quickie. The writer endeavored to find the golf course in question, and lo and behold, after checking my card of 18 holes on Santa Anita, I find there was not a single hole made under 5. (Anybody want to buy a set of golf clubs?).

Ed Wodrich 'Calls 'em' at City Ball Park

Edward Wodrich, 261 N. Lima is making quite a reputation for himself on Sunday afternoons.

He has been volunteering his services as a base umpire for the Sierra Madre VFW Raiders' baseball games at the city ball park.

And, according to all reports, Mr. Wodrich has been doing a good job of it. Rival managers have been complimenting him on the accurate way he has been "calling 'em."

Mr. Wodrich was a regular player and coach for the VFW 3208 softball team last summer and, as Raider Manager Larry Shepherd puts it, "a real handy guy to have around."

Jungle Film Planned For 'Ladies' Night'

"Jungle Bread," a motion picture filmed in vivid jungle colors will be featured at the Ladies' Night meeting of the Sierra Madre Kiwanis Club next Tuesday, Nov. 28, 7 p. m. at the Woman's Clubhouse.

Vice-President Charles A. Skutt will preside, and special music will be provided by a Sierra Madre quartet, consisting of Julie Conzelman, Jamie Peterson, Pat Rae, and Ann Minton.

"Jungle Bread," produced by an American Bakery Firm, was made in the jungles of Dutch Guiana, South America, and shows how a primitive people make bread from a root which, before processing, is so poisonous that 3½ ounces of the root juice taken internally are enough to kill a human.

TB CHRISTMAS SEAL SALE STARTS

With three little angels singing greetings, the 1950 Christmas Seal went on sale throughout Los Angeles County Monday, Nov. 20.

According to John H. Mathews, president of the Combined Christmas Seal Fund of the County Tuberculosis and Health Association, a goal of \$500,000 has been set for this year's campaign. The money will be used for the heightened TB control program which must follow the current county-wide Chest X-Ray Survey, Mr. Mathews said.

Raiders to Meet Truckers Sunday

Competition will be intense Sunday afternoon, Nov. 26, when the Sierra Madre VFW Raiders meet the Mandell Truck team in semi-pro baseball game beginning at 1:30 at the City Ball Park.

Sunday's game will be the third time these two teams have met, the Raiders having won the first contest. The second game ended a tie when it was called on account of darkness.

Raider Manager Larry Shepherd said the Sierra Madreans "should take them Sunday," but admitted the Truck manager feels just the opposite.

"That should make the game a toss-up," Mr. Shepherd said. Sierra Madre Pitcher "Mutt" Oaks is expected to get the mound call, Mr. Shepherd stated. Oaks has won three games in a row since joining the Raiders and has the lowest earned-run average of the local pitching staff.

Last Sunday's scheduled game with the Los Angeles Yankees was cancelled because of rain. By 5 p. m. Saturday, the ball field was reported to resemble "a large mudhole."

Scouts Enjoy Overnight Camp

An overnight excursion at Camp Huntington was enjoyed recently by approximately 60 Boy Scouts, Scouters, and fathers.

Fifteen boys of Sierra Madre Troop 3 and five from Troop 5 participated in the trip, along with Scouts from troops in La Canada, San Gabriel, and San Marino.

NORMAN GREEN NOW SERGEANT

Cpl. Norman Green is now Sgt. Norman Green, his mother learned early Monday morning.

Mrs. M. J. Green, 334 Grove, received a phone call from Norman at 7 a. m. Monday from Osaka, Japan. He informed the Green household of his promotion and related some of his recent experiences as a U. S. Marine Corps airman.

LT. JOHN SHIPPEY BACK FROM JAPAN

First Lt. John Shippey has been transferred back to the United States after several months' service in Japan, his parents, Mr. and Mrs. Lee Shippey, learned this week.

Lieutenant Shippey, U. S. Air Force pilot, is now stationed at Travis Air Base, Fairfield, California. The local officer's unit had participated in air operations over Korea.

SCHOOL HIRES NEW TEACHER

City School Board has appointed Mrs. Myrtle Heasley as a substitute teacher for the kindergarten and primary grades at Sierra Madre School.

Mrs. Heasley formerly taught in the Pasadena City Schools system.

Reservists Plan Weekend Cruise

Sierra Madre and other San Gabriel Valley naval reservists will leave Saturday morning, Nov. 25, for a weekend cruise to Catalina Island.

Battalion 11-11 bluejackets of the Paloma street Training Center are scheduled to board the U. S. S. Twining, DD, at 9 a. m. and return late Sunday night.

Permission for a full-speed run has been granted by the 11th Naval District commander, and reservists are looking forward to Avalon as their liberty port.

FILM ON HOUSE TYPES TOMORROW

A motion picture survey of residential architecture—past, present, and future—is scheduled tomorrow night, Nov. 24, 8 o'clock, at the Los Angeles County Museum's weekly documentary film showing.

On Sunday afternoon, 3 o'clock, the Exposition Park museum will present a chamber music concert by the Mischa Violin String Quartet, Brahms Quartet in A Minor and Bach Art of Fugue will be played.

LEGAL NOTICE

ADVERTISEMENT FOR BIDS
Notice is hereby given that the Board of Trustees of the Sierra Madre City School District of Los Angeles County, hereinafter referred to as the "Owner," will receive up to, but not later than 7:30 o'clock P. M., on the 30th day of November, 1950, sealed bids for the award of contract for the construction of the classrooms Addition to the Sierra Madre Elementary School, 141 West Highland Avenue, Sierra Madre, California.

Such bids will be received in the office of the Owner, 141 West Highland Avenue, Sierra Madre, California, and shall be opened and publicly read aloud at the above stated time in the office of the Owner in such building.

Each bid must conform and be responsive to this invitation, the plans, specifications, and all the other documents comprising the pertinent contract documents. Copies of the Contract Documents are now on file and open to public inspection in the said office of the Owner, and of Marsh, Smith & Powell, Architects, located at 300 Lane Mortgage Bldg., in the City of Los Angeles, in said County and State and may be obtained at the latter place by depositing \$25.00 for each set.

This deposit will be refunded if the set or sets of Contract Documents delivered are returned in good condition within five days after the bid opening.

Each bid shall be made out on a form to be obtained at either of the said offices in which the Contract Documents are on file.

Each bid shall be accompanied by a certified or cashier's check payable to the Owner, or satisfactory Bid Bond in favor of the Owner, executed by the bidder as Principal and a satisfactory surety company as surety, in an amount not less than five per cent of the bid.

The check or bid bond shall be given as a guarantee that the bidder will execute the Contract if it be awarded to him in conformity with the Contract Documents and will provide the surety bond or bonds as specified therein within five days after notification of the award of the contract to the bidder.

The Owner reserves the privilege of rejecting any and all bids or to waive any irregularities or informalities in any bid or in the bidding.

Pursuant to the Labor Code of the State of California, the said Board of Trustees has ascertained the general prevailing rate of per diem wages for each craft or type of workman needed to execute the contracts which will be awarded the successful bidders; and these prevailing rates are contained in said specifications adopted by the Board, and are as follows:

shall be paid not less than 17½ cents per hour as to the SIX BASIC TRADES, and 12½ cents per hour as to the SUB-TRADES, more than the journeymen rate for the craft involved.

APPRENTICES—May be employed in conformity with Section 1777.5 of the California Labor Code.

INSUR-A-TOONS

Young Miss Hubbard went to
her cupboard.
To get out her silverware.
Now, when she got there,
Found the cupboard was bare;
Did she scream, faint, or tear
out her hair?
Nope! She just phoned us.
Fully covered by insurance.
Smart Gal, eh?
